

## COVID-19 Health & Safety Policy

Skate The Foundry is committed to ensuring your health and safety. We will be adhering to all current Centers for Disease Control, state, and local municipality recommendations and regulations. We will keep you informed of any Covid-19 related changes or updates that may impact Skate The Foundry and/or your activities with us.

- Summer camp will only be held at Paine's Park. If we have unfavorable weather, we will relocate to Skate The Foundry for the day.
- Group Size: Group sizes will be limited to 6 campers per camp. This may change during the course of the summer.
- Checking-in Procedures: All participants, guests, parents, guardians, spectators, and staff members will be required to wear a mask or face covering while checking in. Campers must bring their own mask or face covering to camp.
  - Campers and staff members will be required to use hand sanitizer prior to checking-in.
  - Parents will be asked to complete a daily Wellness Screening Form.
  - Campers will have a daily temperature check with our contactless thermometer prior to the start of camp.
  - Staff members will receive daily wellness checks prior to the start of each workday to ensure they are healthy and symptom-free.
- Staggered drop-offs / pick-ups: When at Skate The Foundry, we will ask parents to participate in staggered, time specific drop-offs and pick-ups.
- Floor markings and signage: We will mark off safe distances throughout Skate The Foundry and Paine's Skatepark to help keep children appropriately spaced. Reminders for handwashing, social distancing, and safe sneezing will be posted throughout Skate The Foundry.
- Hygiene: Scheduled handwashing breaks will be built into the camp schedule. In addition, hand sanitizer stations will be placed throughout Skate The Foundry.
- Hygiene Station: At public skateparks, we will provide a hygiene Station which will be available to all campers. The station will include an area to wash hands with soap, alcohol spray, alcohol wipes, and hand sanitizer.
- Activities: Activities will be modified to limit physical contact.
- Instructors: Instructors have the right to stop all campers from trying a trick that may have a higher risk of getting injured.
- Equipment: Campers must bring all equipment (skateboard, pads, helmet). There will unfortunately be no rentals.
- Cleaning: All Skate The Foundry staff will be regularly cleaning to disinfect our facility throughout the day. Every night, STF staff will perform a deep-clean after closing.
- Masks covering nose and mouth:
  - Paine's Park: All campers must bring a mask. However, at Paine's Park, a mask is not required to be worn. During group activities where social distancing is difficult a mask will be encouraged to be worn. Some activities where a mask should be worn are morning meeting, stretching, and group lessons.
  - Skate The Foundry: All campers must bring a mask. While inside where social distancing is difficult, children will need to wear a mask. Children will always have the right to remove their mask after they inform a staff member. Staff and

instructors will also keep a close eye on campers to make sure they are taking breaks without wearing their mask frequently.
